Help for the industry - from the industry

Construction Safety Awareness Day

This **FREE** half day event and exhibition is one of a series of FREE partnership events run by the industry for the industry, as part of the UK-wide WorkingWell Together (WWT) campaign.

This event will provide up-to-date information on Working at Low Heights. It will highlight the most important safety issues specific to the construction industry, what the risks are and how to prevent them. If you run a small building, construction or contracting company, or if you are self-employed, then this free event is a must.

BOOK NOW! As places are limited.

For further information call
