GETTING HERE

On the Friday the gates will open at 5:00pm.

On the Saturday the gates will open at 6.00pm.

Arrive early to enjoy the atmosphere & miss the inevitable stress of travelling during rush hour especially on Friday.

Make sure you have booked your accommodation before it's too late. Use the dedicated taxi & car drop off area (details opposite) if you can't use public transport. Don't try to get dropped off anywhere else. Allow plenty of time for your journey if you are using public transport.

TICKETS: Your ticket is your ticket for entry. Proceed straight to the gate if you have a ticket. Customers collecting tickets should park their car first, or be dropped off. The box office is clearly signposted and will be available for ticket collection and on the day ticket purchase. On the day of the event the Box Office will be open from 9am. PLEASE NOTE: **Ticket collections will only be available on the day of the event**

CAR PARKING: The car park in the adjoining field will be marshalled by stewards and will open an hour before gate times. The disabled car park will open the same time as the gates. Please don't arrive earlier as you won't be allowed access. Tickets for the car park can be purchased on the gate for £5. Only cars displaying a current blue badge will be allowed in the disabled car park. Once this area is full there is no further disabled provision apart from the main car park. There will be no vehicle access at any time into the events field, except for authorised contractors.

SEATING: For this concert you are permitted to bring your own seating into the arena.

GAZEBOS: Gazebos are allowed on the Saturday night only. Cars will not be allowed into the audience arena at any time. People wishing to erect gazebos will be allowed access to the event field on Saturday between 9am and midday. Apart from the pre-booked gazebo pitches, other gazebos may be erected on the designated areas on the field at the back of the main audience area. To ensure everyone has a good view, no gazebos or other high covers, caravans or trailer tents are allowed in the main viewing areas. If a gazebo is left on site after the event for collection the next day they must be lowered and pegged down. The organisers will not be responsible for any damaged or missing equipment due to vandalism or bad weather.

WEATHER: The concert will not be cancelled in the event of inclement weather so be sure to bring suitable clothing for all weather conditions. This includes sunscreen!

REFRESHMENTS: Food and drink cannot be brought into the concert arena on the Friday night. Picnics are welcome on the Saturday night. A range of catering facilities will be available serving a variety of food and drink within the venue.

FIRST AID: A First Aid point is situated within the venue and is clearly signposted. Any Steward will be pleased to direct you there.

DISABLED INFORMATION: Wheelchair platform ticket holders will be directed to the disabled area. A maximum of 1 wheelchair guest and 1 carer per booking is allowed within this area in order that we may accommodate all guests. Please pre-purchase wheelchair platform tickets to avoid disappointment.

LOCATION AND PUBLIC TRANSPORT:

Car: Hoghton Tower is situated midway between Preston and Blackburn on the A675 - the Old Road. It can be reached via M65 Junction 3 (5 minutes), M6 Junctions 28 & 29 and M61 Junction 8.

Rail: Preston Railway Station (25 minutes away) has frequent main line services.

Taxi: There is a taxi and drop-off/ collection point for Preston-bound traffic in the car park of Hoghton Village Hall and a collection point for Blackburn-bound traffic in the car park of Hoghton Church.

If traveling by taxi/minibus/ coach: Please advise your driver to avoid the delays caused by event traffic by dropping off/collecting from a pre-determined, designated spot a short way from the main entrance. Unless your driver arrives to collect you before 9.30pm, inward-bound traffic will not be able to access the driveway due to the vehicles exiting the venue and will therefore be subject to a considerable delay.

CAMERAS OR RECORDING EQUIPMENT: Please do not bring anything that could be deemed as professional photography or recording equipment into the venue, as it will be confiscated & returned to you after the event.

DRUGS & ALCOHOL: Don't do drugs or drink too much alcohol ahead of or during the event. There will be honesty bins as you approach the venue so make sure you use them if you are carrying something you shouldn't. We have a state-of-the-art CCTV system so you will be caught if you are using anything illegal.
